

Hospital sink

MODEL RANGE: | G22010L | 215.0000.023

Utility sinks | Multi purpose sink

A double bowl / single drainer sink manufactured from 1.2mm thick, grade 1.4301 (304) stainless steel, satin polish finish. The sink top is turned down on all four edges and incorporates a wet area recess. The bowls are prepared for a 38mm waste. NOTE: It is possible to fit an overflow. No tapholes are provided therefore any taps top be fitted must be mounted onto the wall. The sink top can be mounted on wall brackets or front leg supports - see extras listed below. This sink requires three brackets or three front leg supports. L or R to the handing of the drainer ie. left or right when facing front of unit.
